Honorable Raymond G. Langham
Speaker - House of Representatives
20th Arizona Legislature
Regular Session

Dear Speaker Langham:

Supplementing our conversation concerning Fort Huachuca, attached is a copy of the telegram we have just forwarded to Mr. John A. McCone on the advice of Mr. Perry Ling, of the Attorney General's Office.

This wire does not constitute the actual transfer on which we agreed, but it does set the stage for such a transfer once we have clarified the unknowns involved.

I will keep you advised of any further changes or developments.

Sincerely,

HOWARD PYLE
Governor
